

Dear Parents and Guardians,

I hope you are all continuing to be safe and well. This week I have made a timetable for the week as a suggested guideline for doing the work. Thank you all for getting in contact with me and for sending me on your child's homework. I am aware that it's hard for the students to remain motivated but they are putting a lot of effort into their work. If your child needs assistance at any time please do not hesitate to contact me on belcarranssh@gmail.com. I would like to see some of your child's completed work so I am placing an asterick beside suggested classwork that you can email to me. Could you also include some photographs if possible of their projects. I have seen some already and they are excellent.

Regards,
Siobhan Higgins

SESE- History For the past few years the students of sixth class have participated in a Local History Essay Competition. I have been contacted by the person who runs this competition and he would like to offer the same prizes as he offered in previous years for anyone in sixth class interested in participating in this competition. The prizes are very generous and the students in Belcarra have been very successful in the last few years. If you are interested please let me know and I will give you two weeks to complete it. All the information is on the website. Ignore the closing date and for the moment the forwarding address. I will give you more information on that next week. If you have any questions in relation to this please contact me by email.

Geography- If you have no access to a printer just write the answers in your SESE copy. Do not look at answer sheet until you have attempted to answer it on your own first.

SPHE- If you have no access to a printer just put your answers in your SPHE copy.
